Data Refresh

With the first two months of the year coming to a close, it is time for a data refresh.

Homicides

While I wish our homicide numbers were down significantly, they are at similar pace to this time last year.

2022 Youth Part Cases

In 2022:

- 153 felony cases were sent to Criminal Youth Part
- 82% of the 153 cases have a disposition
- 66% of the 153 cases were transferred to Family Court
- 50% of the 153 cases were violent felony charges
- Of the violent felony cases, 46% were transferred to family court

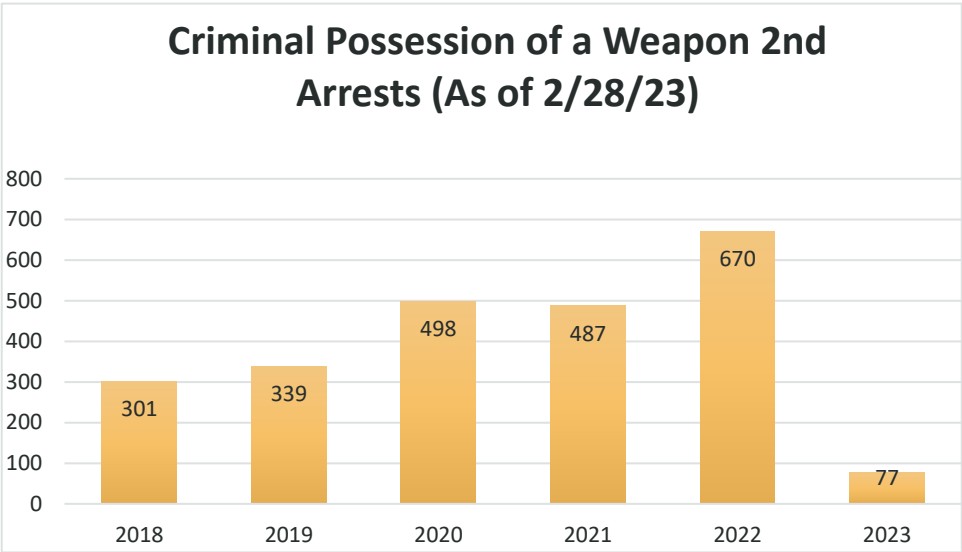

Homicide Update

So far in 2023:

City of Rochester Total: 9

Monroe County Total: 12

Criminal Possession of a Weapon in the 2nd Degree

Last year was above and beyond any number we have seen for gun arrests. These are the arrests for Criminal Possession of a Weapon in the 2nd Degree that are not attached to homicide cases. To date, we are slightly higher than we were at this time last year.

Criminal Possession of a Weapon in the 2nd Degree Bail Status

Year	Arrests	Released at Arraignment W/ Non-Monetary Conditions	Bail Set in the Amount of 5K or less
2018	301	3%	25%
2019	339	7%	35%
2020	498	33%	63%
2021	487	17%	35%
2022	670	21%	29%
2023	77	14%	37%

Listed above is the percentage of Criminal Possession of a Weapon in the 2nd Degree where non-monetary bail is being set at arraignments. I also noted the percentage of cases where cash bail was set at \$5,000 or less.

I will continue to share data as we collect it. I look forward to continue presenting our findings to the community.
